WOMEN'S BIBLE STUDY

Thursdays - Beginning March 17
9:30 am and 7:00 pm

Join us in learning how God orchestrates everything for His glory and the good of His people, and see how the God of covenant is the same yesterday, today, and forever in Jen Wilkin's "God of Covenant", a ten-session study of Genesis 12-50.

A study book, ***God of Covenant - A Study of Genesis 12-50***, can be purchased through Amazon, Lifeway.com, or Christianbook.com.

Please don't miss this great opportunity to fellowship with other women and be encouraged in your walk with the Lord. We offer two sessions for your convenience. We look forward to seeing you!

But in your hearts revere Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect.

~1 Peter 3:15

MountMoriah.Church

On Sunday, February 13th, the ONLINE ministry celebrated its 100th broadcast of Sunday Service LIVE! We are very grateful for our talented and dedicated volunteers who help us reach people for Jesus and provide an opportunity for those participating to connect and stay connected to the family of God.

Todd Hillman

Todd became familiar with Mount Moriah Church about 15 years ago while producing the Mount Moriah Baptist Church Sunday services on TV for the Herald Standard TV station in Uniontown. He started attending Mount Moriah and began recording and producing DVDs for anyone that wanted a recording of the Sunday service. When the COVID pandemic hit in 2020, Todd's technical skills in video engineering and videography, such as filming, using streaming computers, multiple cameras, remote and lighting controllers, video and audio switchers, and installing cameras, were critical in transitioning Mount Moriah to producing Sunday morning livestream services, *PRAISEbreaks*, and other ONLINE events.

Lisa Sumej

Almost every Sunday morning for the past seven years, Lisa has been in the production booth generating and displaying announcements, songs, scriptures, and pictures on the screen at the front of the church so that those attending as well as our ONLINE viewers are able to participate in the worship service.

George Paschke

George manages the Information Technology (IT) infrastructure and is responsible for setting up and maintaining the internet circuits and connections, computer systems, printers, and email accounts for the church and school.

Josh and Courtney Wiltrout

Josh and Courtney have been responsible for engineering and installing all of the new sound systems and lighting in the sanctuary. Josh installed the lighting (with Courtney's help) while Courtney built all the lighting schemes on the computer software system to manage the lights. They also engineered and added new sound equipment and programmed the soundboard for different occasions. The soundboard system provides the sound for both in-person services and the ONLINE livestream broadcasts, *PRAISEbreaks*, and special events. They assist with recordings and sound production by setting up and testing sound and recording equipment, sound mixing, and editing recordings. Courtney also serves as a backup ONLINE Hostess for Sunday morning services.

Shawn Gaster

Shawn is a trainee for the ONLINE production position and is a backup for Todd in producing the Sunday morning livestream services.

Chris King

Chris is a sound technician who volunteers to run the soundboard for our Sunday morning worship services and livestream broadcasts.

Brock Hartman

Brock serves as the backup sound technician for the morning worship services and livestream broadcasts.

Cheryl Blaney

Cheryl is on the MMC ONLINE Ministry Team and serves as the ONLINE Hostess for the church's livestream services. She is also responsible for producing and publishing the *News From The MOUNT* newsletter.

Greg Blaney

Greg is a trainee for the media production team. He also helps Todd install new cameras and other equipment.

Rich Ellsworth
ONLINE Ministry Director

Rich provides vision, leadership, management, and direction for the ONLINE (iCampus) Ministry and ensures the ministry continues to spread the Gospel through various ONLINE avenues. In addition to creating the Sunday morning worship introductions and ensuring each Sunday service is broadcast online, he creates and publishes the almost daily Facebook and Instagram posts advertising church events and giving Biblical teachings. Rich produces and publishes *PRAISEBreaks* and ONLINE Specials across multiple media platforms. He is responsible for enlisting and developing volunteers associated with the ONLINE/Media Ministry. Rich is also responsible for the development and maintenance of the church's website "MountMoriah.Church" and is working with the Christian school to launch a new website and expand their social media presence.

Andrew, Simon Peter's brother, was one of the two who heard John and followed him (Jesus). He first found his own brother Simon and told him, "We have found the Messiah" (which is translated "the Christ"), and he brought Simon to Jesus. ~ John 1:40-42

Greetings My Brothers and Sisters,

Have I ever introduced you to or invited you to try Appalachian Brewing Company root beer, Jackson Farm's chocolate milk, or Harry's bacon? These are three things that have changed my life. Have I ever told you about a new or favorite restaurant of mine? Have I ever talked to you about my children? I am like most of you. I have no trouble talking to people, introducing people, or inviting people to experience the things I love. What are some things that you are most excited about or passionate about?

So why do we find it so hard to talk about, introduce people, or bring people to Jesus? These three verses both convict me and challenge me to think about evangelism differently. It shouldn't be difficult or intimidating. Sharing our faith should be like introducing people to any of those things that you are passionate about. Tell them what you were looking for, who you have found, what you know, and invite them to the person who has changed your life.

Don't make it harder than it is. Don't be afraid. Some people don't care for "my" root beer, "my" chocolate milk, or "my" bacon. I get over it. I tried. Some people may not be receptive to Jesus. But some will be. And Jesus will change their lives just like he did yours.

So get out there and share your faith. Bring people to Jesus!
