EVERY DAY

Every day abused, neglected, and abandoned children are introduced to the foster system. Many of these children will enter the system with only the clothing on their backs. They are removed from their homes without their favorite toy, blanket, hoodie, or essentials.

Our local Children and Youth Services (CYS) touches over 1000 children annually. In addition to the foster system, our local Women's shelter also services many children. These children are not fostered, as they arrive homeless with a single parent who is most likely experiencing domestic violence and other abuse.

OPERATION CHRISTMAS CHILD

Samaritan's Purse

Mount Moriah has been actively involved with Operation Christmas Child since 2005. This is a project of Samaritan's Purse that delivers shoeboxes filled with toys, hygiene items, and school supplies to children around the world as a tangible expression of God's love through the hands of local partners to share the Good News of Jesus Christ—God's greatest gift!

Millions of children around the world are being impacted by the Gospel through these simple shoebox gifts. One box can touch not only the child, but their whole family. So please consider packing shoeboxes this year. The goal for Mt. Moriah is 750 shoeboxes – a.k.a. Gospel Opportunities to reach children with the message of salvation in Jesus Christ.

"For this reason I remind you to fan into flame the gift of God..." - 2 Timothy 1:6

We have been studying Paul's letters to Timothy on Wednesday nights for the past couple of months. One of the most notable things that I have personally received from these letters is the way that Paul would encourage Timothy using these letters—specifically, Paul's encouragement regarding Timothy's timidity according to the NIV in 2 Timothy 1:7. This timidity is translated as a spirit of fear in many other translations. This spirit of fear was apparently hindering or had the potential of hindering a gift of God that was given to Timothy so that he could effectively carry out the ministry to which he was appointed. Paul reminded Timothy that the remedy for this fear was to fan into flame the gift that was given.

What does it mean to fan into flame the gift of God which is in you? He was telling Timothy to use the spiritual gift that was given to him. Paul tells the church in Corinth that a spiritual gift is given to each of us so we can help each other. (1 Corinthians 12:7) There are a couple of lists that help us to learn what they are and how to identify them. When God gives these gifts to believers, He expects the believer to identify them and then use them to help each other.

What keeps us from using them? Well, it's this spirit of fear. This fear can manifest itself in many different feelings. It might be fear of rejection or retaliation. It might be fear of ridicule or persecution. This fear may manifest itself in a sense of inadequacy, a sense of unworthiness, or a sense of guilt or shame. Whatever it might be, it keeps us from effectively using the gifts that God has intended for us, and it's not the spirit God has given us.

God does not expect us to do these things on our own. In 2 Timothy 1:7, Paul reminds Timothy of the help that God has provided. He has given us a spirit of power, of love and of self-discipline. The Holy Spirit empowers us, enables us to love and keeps us under control. We are to rely on His spirit and not our own.

There is much that God has called us to do here at Mount Moriah. I believe He has provided us every resource we need to accomplish these things. I also believe that you are one of these resources. I want us all to be encouraged by Paul's letter to Timothy. Find out what your spiritual gift might be. Ask God to help you identify a place where you might be able to use that gift. And begin using it. Of course it will be new, uncomfortable, and a bit unrefined in the beginning. We are all growing. But the more you fan it into flame, the more helpful you can be.

Fanning into Flame,
Pastor D
